

Pre-Mass Announcements June 14, 2020

For those intending to attend Mass in person this weekend, we have a few instructions/reminders, remembering that the pandemic continues and that we are required to follow specific procedures for the health and safety of all present, and the wider community.

In keeping with the governor's executive order, only 50 people (including ministers) will be allowed in the church building at one time.

Entry to the building will only be possible through the main doors of the church.

Everyone who enters the church building must be wearing a mask.

Please make sure that you are socially distancing and wearing your mask the entire time you are in the Church.

A collection basket will be located in the gathering area of the Church. There will be no collection at the time of the offertory, so please place your donation in the basket as you arrive.

The clergy will not process or recess, and will not be available to visit after Mass. Please do not seek us out.

While music will be provided by Bob and Renee today, we ask that the faithful in Church refrain from singing along.

Spoken responses are welcome.

At the time of Communion, all of the faithful are to remain in your pews. If you intend to receive the Eucharist, please stand when you are instructed, and a Eucharistic Minister will come to you to distribute Communion. If you are not receiving, please remain seated.

Please sanitize your hands as the Eucharistic Minister approaches you. When Communion is presented to you, say "Amen" with your mask on, receive the host in your hand, and then pull your mask down to place the Eucharist in your mouth. Cover your face back up, sit or kneel, and spend your time with our Lord.

Four teams of Eucharistic Ministers and Ushers will be deployed to the parking lot at the time of Communion to distribute to the faithful in their cars. If you intend to receive in your car, please put your hand out the window when the Eucharistic Ministers begin to head toward your section. Do not get out of your car. The Eucharistic Minister will hand you Communion through your window. Please sanitize your hands as the Eucharistic Minister approaches. If you have a donation to make, you may place it in the basket that the usher has at that time. Please wait until the final blessing to leave the parking lot to fulfill your attendance at Mass, and for the safety of the liturgical ministers.

When Mass is over, those in cars may leave. Those in the pews should wait to be dismissed by the ushers, and exit through the door to which you are directed.

Please do not congregate outside, but get directly into your cars.

We are glad that you have been able to join us today, and look forward to the time when our community may gather unrestricted in safety.
